National Association of School Safety and Law Enforcement Officials
NASSLEO

August 25, 2017

To: Chief Travis Forbes
Lee Summit Police Department
10 NE Tudor Rd, Lee's Summit, MO 64086
Travis.Forbes@cityofls.net

On behalf of National Association of School Safety And Law Enforcement Officials (NASSLEO), I am writing this letter to express our great sorrow for the loss of School Resource Officer Thomas Orr. Although he was not killed in the line of duty, we know that his services and dedication were of the ultimate sacrifice; and for that he will always be remembered and honored. The death of an officer is always a great tragedy.

I know you must be overwhelmed by condolences, so do not feel obligated to respond. However, if there is anything needed on our behalf, day or night, know that NASSLEO will do anything we can to help our brothers and sisters. I would consider it a great honor to assist one of Missouri's finest officers.

Please do take care of yourself in this terrible time

Sincerely,

Chief Ian A. Moffett
President
